A Warm Welcome to All Our Parents!

As we enter the winter months, we'd like to thank all our families for their continued support. November brings new activities, updates, and important reminders to help us ensure a positive, enriching experience for everyone at The Little Bumblebee Nursery.

Autumn Activities

- **Language Day**
In celebration of our diverse world, the Honey Pots Room will host a Language Day. Children will explore languages from around the globe through engaging books, songs, and cards, fostering curiosity, enhancing listening skills, and celebrating cultural diversity.
- **Fireworks Painting**
To mark Bonfire Night, we'll be creating vibrant fireworks paintings, allowing children to explore colours and patterns in a fun, seasonal activity.
- **Finger Painting Autumn Tree Activity**
Children will create beautiful autumn tree scenes using finger painting, experiencing seasonal colours and textures through this hands-on activity.
