December 2024

## A Warm Welcome to All Our Parents!

As we embrace the festive season, we want to thank all our Little Bumblebee families for their continued support throughout the year. December is a month filled with joy, creativity, and celebration, and we are excited to share this special time with you and your children.

**We are requesting parents to please scan the QR code and share your valuable feedback with us online.**

## Winter Activities

This December, we're embracing the festive spirit with a range of creative and engaging activities for the children:

- 🎵 The children are practicing festive Christmas songs and enjoying seasonal Storytime, including books like *The Gingerbread Man*.
- 🍪 Baking activities include decorating cookies and creating salt dough ornaments for Christmas trees, perfect for developing fine motor skills and creativity.
- 🎄 Christmas crafts will inspire the children to design festive items such as Santa hats, snowmen, and Christmas trees, fostering imagination and hand-eye coordination.

We can't wait to see the wonderful creations! Don't forget to check the app for photos of your child's festive masterpieces.

## Important Information

- **Last Day of Term for Funded Children:** The last day of term for funded children will be 18th December.
- **Parking Reminder:** We kindly request all parents to park considerately when dropping off and picking up children. Please avoid blocking entrances or other vehicles and be mindful of our neighbours.
