

# The Little Bumblebee Nursery Newsletter

February 2025

## A Warm Welcome to All Our Parents!

We hope you all had a wonderful start to the new year! February is here, and with it comes a lot of fun activities and celebrations at The Little Bumblebee Nursery. We are also delighted to welcome our new parents and children to The Little Bumblebee Nursery. We hope you feel at home and enjoy being part of our vibrant community.

We are requesting parents to please scan the QR code and share your valuable feedback with us online.

## Winter Activities

- **Heart Flower Creations:** The children will be making a “bunch of heart flowers” to take home. This activity will encourage their creativity as they paint, cut, and arrange heart-shaped flowers.
- **Valentine’s Water Play:** Babies will engage in water play with red food colouring, creating a visually stimulating experience. We’ll also add sensory bottles and toys to explore during the activity.
- **Sensory Exploration:** Our focus will be on creating an engaging and safe environment where the babies can explore different textures and colours associated with Valentine’s Day.
- **Valentine’s Card Making:** We’re going to create special Valentine’s Day cards with the children. This will be a fun opportunity for them to use paints, stickers, and other craft materials to make cards for their families. The activity will help develop their fine motor skills and allow them to express themselves through art.

## Important Information

- **Parking Reminder:** We kindly request all parents to park considerately when dropping off and picking up children. Please avoid blocking entrances or other vehicles and be mindful of our neighbours.
- **Late Payment Charge:** We will continue to enforce a late payment charge. To avoid this, please ensure all payments are made on time. Thank you for your cooperation.
- **Fee Adjustment Notice:** To ensure we continue providing high-quality care and services, there will be a **5% increase in nursery fees** starting from April 2025. This adjustment reflects rising wages, operational costs and our commitment to maintaining excellent standards for your children. Thank you for your understanding.

## Save the Date
