

The Little Bumblebee Nursery Newsletter

February 2026

A Warm Welcome to All Our Parents!

We hope you all had a wonderful start to the new year! February is here, and with it comes a lot of fun activities and celebrations at The Little Bumblebee Nursery. We are also delighted to welcome our new parents and children to The Little Bumblebee Nursery. We hope you feel at home and enjoy being part of our vibrant community.

We are requesting parents to please scan the QR code and share your valuable feedback with us online.

Save the Date

♥ W/C 9th February 2026 - Valentine's Day Fun!

We're celebrating with a special Valentine's event! The children will enjoy **crafts, sensory play, music, and treats**. Children are welcome to wear **red or pink** to join in the fun! 🎵🎶🎉

17 **Half Term:** Funded children will be on holiday from Monday 16th to Friday 20th February 2026 for Half Term.

📅 W/C 23rd February 2026 – Lunar New Year

We will be celebrating Lunar New Year through a variety of exciting activities! Children will explore:

Important Information

- **Fee Adjustment Notice:** To ensure we continue providing high-quality care and services, there will be a **6% increase in nursery fees** starting from April 2026. This adjustment reflects rising wages, operational costs, and our commitment to maintaining excellent standards for your children.
- **🔒 Online Safety:** For helpful guidance on apps, parental controls and keeping children safe online, please visit www.kidsonlineworld.com/parents--carers.html

Winter Activities

- **Theme-based exploration:** Children explored winter food, Valentine's Day, and Lunar New Year through sensory play, stories, role play, and real-life experiences.
- **Social and emotional development:** Activities supported kindness, turn-taking, giving, and recognising emotions during shared play and group experiences.
- **Communication and language:** Children were encouraged to talk about their ideas, choices, and experiences, listen to others, and engage in stories and songs.
- **Physical development:** Movement, tool use, and fine-motor activities helped children develop body control, coordination, and confidence.
- **Creativity and thinking:** Children explored mark-making, patterns, construction, and imaginative play using a range of materials and ideas.
- **As part of our commitment to helping children feel connected to their local community,** we will take children on weekly visits to our local Co-op. During these visits, children help choose ingredients for cooking activities, practise safe walking, learn about money, and develop confidence interacting in real-life situations.
